Cancellation policy -Thank you for reading

The minimum cancellation notification time is **36 hours**. This gives me time to offer your cancelled hour to someone on the waiting list.

A student cancelling with less than 36 hours notification for any reason will be charged for the missed lesson.

However - if I am able to fill your missed lesson time you will not be charged. It is therefore in your best interest to give me as much notice as possible.

Once you have booked the lesson it is your responsibility to arrive on time and make your own travel arrangements.

If ever I should need to cancel I will give you as much notice as possible and reschedule/make up the lesson

Thank you
